

Release Notes

1. Live Match Center

Functionality

To streamline event management for Organisers, Competitions Manager the Live Match Center is now available in EMS. This feature allows users to view and edit match-related data in one place.

Flow: Event > Schedule > Live Match Center

I. Users can edit following details in Live Match Center:

- Enter scores
- Assign umpires
- Print Scoresheets & Toss-Sheets
- Edit schedule
- Enable/Disable stream
- Enable/Disable publish scores
- Hide Time or Table or Both for Specific and multiple match.
- Upload banner image (for streaming)

II. Users can view following details in Live Match Center:

- Scheduler
- Total number of matches schedule
- Number of unscheduled matches

2026-01-05

- Print related data like (Toss sheet pending, scoresheets pending etc)
- Match status (Match ready, match live, match error)
- Incomplete/ complete match
- Number of matches pending for assigning the umpire (Umpire missing)

This screen is having option to apply filters and change the viewing mode.

2. Registration Invoice

Functionality

A new functionality to generate registration invoice has been introduced, Organiser can now generate and download the registration invoices and view the financial summary.

I. Flow: Event Management System > Event> Payment & Invoice

A. Payment & Invoices

- **Raised to:** Here organiser can select who they want to raise invoice to, like M.A. club or any other entity.
- **Payment Type:** Users can select the payment mode cash or online
- **Enable Invoicing for this Event:** Option to enable or disable invoicing for the particular event, by default this option will be off.
- **Create Template:** Organiser has the option to create their own template.
- **Select Template:** Organiser also have the option to select already existing templates from global templates option or event template.

Flow: Select Event > Event Details > Payment and Invoice

The screenshot shows the 'Payment & Invoice' settings page within the Event Management System. The left sidebar contains navigation options: Event, Players, Fixtures/Results, Schedule, Scoring and Streaming, Awards and Standing, Printing, and Rankings. The main content area has tabs for 'Payment and Invoices' (selected), 'Invoice History', and 'Financial Report'. Below the tabs, there are sections for 'Raised To' (with fields for Club, Member Association, State, and TTFI), 'Payment Type' (with 'Cash' and 'Online' options), 'Enable Invoicing for this Event?' (with 'Yes' and 'No' radio buttons), and 'Create your own Template' (with a 'Create Template' button). At the bottom, there are buttons for 'Global Template' and 'Event Template', and a 'Save' button.

The screenshot shows the 'Create New' invoice page. It is divided into two main sections: 'Invoice Settings' on the left and 'Invoice Preview' on the right. The 'Invoice Settings' section includes fields for 'Invoice Title' (Title 1), 'Invoice Date Format' (DD/MM/YYYY selected), 'Invoice Date' (dd-mm-yyyy), and 'Invoice No. Prefix'. The 'Invoice Preview' section shows a sample invoice with a logo upload area, invoice details (Invoice No. 123, Invoice Date, Due Date, Season), and a table of registration fees.

Event Name	Category	Price (£)	Quantity	Amount (£)
Summer Championship 2024	Premium	50	2	100
Winter League Finals	Standard	30	5	150
Youth Tournament	Basic	15	10	150

B. Invoice History

2026-01-05

- Organiser can view the order details here and can generate the invoices for the corresponding orders, and also respective can see the generated invoices as well through OTT Platform.

Flow: Select Event > Event Details > Payment and Invoice > Invoice History

The screenshot displays the 'Event Management System' interface. On the left is a dark sidebar with navigation options: Event, Players, Fixtures/Results, Schedule, Scoring and Streaming, Awards and Standing, Printing, and Rankings. The main content area is titled 'Payment & Invoice' and features a breadcrumb trail: 1 Details, 2 Registration, 3 Playing Order, 4 Payment & Invoice, 5 Umpire Settings, 6 Re. Below the breadcrumb, there are tabs for 'Payment and Invoices', 'Invoice History' (selected), and 'Financial Report'. The 'Invoice History' tab shows a table of orders with columns: S.no, Order ID, Registered By, Registered Qty, Verification Status, Withdrawn, Amount, Refund Status, Payment Status, Invoice Status, and Action. The table contains four rows of data. At the bottom, there are pagination controls showing '1' of 2 items.

S.no	Order ID	Registered By	Registered Qty	Verification Status	Withdrawn	Amount	Refund Status	Payment Status	Invoice Status	Action
1	#189	Norway Member Association	2	0	0	35	--	Paid	Pending	
2	#188	Ettu Admin Admin	1	1	0	35	--	Paid	Pending	
3	#187	Ettu Admin Admin	1	1	0	35	--	Paid	Pending	
4	#186	Norway Member Association	2	0	0	70	70	Completed	Paid	

C. Financial Report (EMS Side)

- Admin/Organiser can Generate and Download the Financial Report of the event. Also, Financial Report can be viewed Category wise and Entity wise (Club, MA etc) both.

Flow: Select Event > Event Details > Payment and Invoice > Financial Report

The screenshot displays the 'Event Management System' interface, specifically the 'Financial Report' section. The breadcrumb trail is: 1 Details, 2 Registration, 3 Playing Order, 4 Payment & Invoice, 5 Umpire Settings, 6 Re. The 'Financial Report' tab is selected. It shows a 'Registration Invoice 6' with a 'Filter by: Class' dropdown, 'Refresh' button, and 'Download' button. The invoice details are: Competition Dates (26-12-2025 to 08-01-2026), Venue (asdf asdf sadg), and Organizer Name (Ettu Admin). Below this is a table with columns: S.No., Class, Entries, Price, Refund, and Amount (). The table contains five rows of data. At the bottom, there is a 'Sub Total' of 454.00 and a 'Service Fee 7%' of 31.78.

S.No.	Class	Entries	Price	Refund	Amount ()
1	U15-BS	7	36.00	108.00	144.00
2	U15-GS	0	40.00	0.00	0.00
3	U15-BT	3	80.00	80.00	160.00
4	U15-BD	9	25.00	75.00	150.00
5	U15-XD	0	35.00	0.00	0.00

Sub Total 454.00
Service Fee 7% 31.78

II. Flow: Manage > Invoice Management

A. Registration Invoice (Admin Side)

2026-01-05

- Admins and entities (clubs, MAs, etc.) can view event-wise details. Once they open an event, admins can see order details for all events, including all invoices raised. Both admins and clubs/MAs can view the generated invoices for their corresponding orders.

Flow: Manage > Invoice Management > Registration > Select Event > Check Order and Invoices

3. Publish All Fixtures

Functionality

Publish all button is introduced in fixture and result screen, If the user turns on the auto publish setting then all the fixtures created by the users will automatically be published.

By default auto publish setting will be off; users can turn on or off the setting according to their requirement.

If the user turns on the auto publish setting then the publish setting of the individual category will be on, and user can turn on./off the publish settings of individual category.

Flow: Choose Event > Go to Fixture > Enable Publish All toggle
